## About Melbourne

There is a lot to love about Melbourne - just ask the locals. This sophisticated world city in the south-east corner of mainland Australia inspires a deep passion in those who live here.

Melbourne is very much about lifestyle. It is no huge surprise to residents that their city has been ranked as one of the world's most liveable cities.

Melbournian's love the city's vibrant energy, restaurants, fashion boutiques, café-filled laneways, cool bars, unbeatable galleries, spacious parks and village-like inner suburbs, each with its own special character. Melbourne is a young city and as such it never sits still. Modern, cutting-edge designs add to the fascinating mix of heritage architecture and ensure the skyline is constantly changing.
